# 1 About these regulations

1.1 These regulations have been produced to ensure that the integrity and security of the examination/assessment system is maintained at all times and is not brought into disrepute.

1.2 The *General Regulations* cover:

- a) the relationship between centres and awarding bodies (**Section 3**);
- b) the responsibilities of awarding bodies in providing administrative, subject-specific assessment and quality assurance support for centres (**Section 4**);
- c) the responsibilities of centres during preparations for examinations/assessments and post-examination/assessment activities (**Section 5**);
- d) obligations arising from current data protection, equality and freedom of information legislation. However, the general regulations are not intended to be relied upon to ensure compliance with the legislation (**Section 6**).

A centre will have confirmed its readiness to adhere to these regulations when first approved as a centre (see **Section 3, page 4**).

1.3 These *General Regulations* apply to the following qualifications and may also apply to other qualifications as specified by an awarding body:

- AEA
- AQA Applied General qualifications
- AQA Level 1, Level 2 and Level 3 Technical qualifications
- BTEC Firsts, BTEC Nationals, BTEC Tech Awards
- Cambridge Nationals
- Cambridge Technicals
- CCEA Level 1 and Level 2 General qualifications
- CCEA Level 3 Awards
- Edexcel Awards
- Edexcel International GCSE
- ELC
- FSMQ
- GCE
- GCSE
- OCR Level 3 Certificates
- Projects (including the Extended Project)
- WJEC Level 1 and Level 2 General qualifications
- WJEC Level 1 and Level 2 Vocational Awards and Certificates
- **WJEC Level 3 Applied Certificates, Diplomas and Extended Diplomas**

1.4 Centres **must** conduct examinations and assessments in accordance with the *General Regulations* and, where relevant, the following JCQ publications:

- a) *Access Arrangements and Reasonable Adjustments;*
- b) *Instructions for conducting coursework;*
- c) *Instructions for conducting examinations;*
- d) *Instructions for conducting non-examination assessments;* and
- e) *Suspected Malpractice – Policies and Procedures.*

JCQ documents may be supplemented from time to time by separate subject-specific instructions from the awarding bodies.

1.5 For the purposes of this document an examination or assessment centre (the centre) is approved by one or more of the awarding bodies for the delivery of their qualifications.

Prospective new centres should refer to **paragraph 3.2, page 4**.

**Note:**

**All heads of centres will be required to confirm, on an annual basis, that they are both aware of and adhering to the latest version of these regulations. This confirmation is managed as part of the National Centre Number Register (NCNR) annual update (see section 5.3, page 14).**

**A head of centre cannot delegate this responsibility to a member of the senior leadership team or the examinations officer.**

**A signed copy of the head of centre's declaration for the academic year 2019/20 must be held on file, available for inspection, as it will be an integral part of the centre inspection. An electronic version of the head of centre's declaration, with an electronic signature, is permissible.**

**Note:**

**Failure to respond to the NCNR annual update, and/or the head of centre's declaration, will result in your centre status being suspended, your centre not being able to submit examination entries and not receiving or being able to access question papers. Ultimately awarding bodies could withdraw their approval of your centre.**

## 2 Who must read these regulations?

2.1 These regulations apply to centres that have been approved by at least one of the JCO awarding bodies **and** are taking any of the qualifications as defined in **section 1.3, page 1**.

Prospective centres **must** familiarise themselves with this document.

2.2 **They must be read, and referred to, by:**

- a) **the head of centre;**
- b) **members of the senior leadership team;**
- c) **the examinations officer.**

2.3 The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is compliant with the published JCO regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments at all times.

2.4 The **examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

**The head of centre may not appoint themselves as the examinations officer.** A head of centre and an examinations officer are two distinct and separate roles.

### 3 The agreement between the centres and the awarding bodies

- 3.1 The approval of a centre by an awarding body signals the start of a contractual relationship, which is governed by the contract between the awarding body and the centre, these regulations and any other documents published by the JCQ, the awarding bodies or the regulators.

Approval with one awarding body does not imply, and will not necessarily lead to, approval with another.

Approved centres **must** be able to meet the conditions set out in these regulations and any specific qualification criteria.

Where a centre uses a third party to deliver any part of a qualification it **must** maintain oversight of, and responsibility for, the delivery of the qualification in accordance with this document and awarding body requirements.

#### Prospective centres

- 3.2 Prospective centres **must** contact each awarding body whose qualifications they wish to offer in order to gain centre approval. Details of an awarding body's centre approval process will be found on their website.

Approval **must** be in place before delivering a qualification. As a minimum, approval **must** be finalised no later than five months before the closing date for candidate entries. Until approval has been granted the awarding body cannot provide access to their assessment and support material.

- 3.3 A checklist for prospective centres can be found on the JCQ website - <https://www.jcq.org.uk/exams-office/general-regulations/are-you-ready-checklist>

- 3.4 As part of the centre approval process for prospective centres, an awarding body may, where appropriate, undertake a credit check.

## Centre status

3.5 A centre **must** have:

- a) clear signage outside the main building;
- b) its own reception which is permanently staffed between 8.30 am to 3.30 pm during term time;
- c) designated members of centre staff, Monday to Friday, 8.30 am to 3.30 pm, to receive deliveries of confidential examination/assessment material and/or accompany a JCQ Centre Inspector or awarding body representative;  
(AQA, CCEA, OCR, Pearson and WJEC will reject any application for centre recognition where it is intended to operate a centre from a private residential address.)
- d) a secure storage facility in a room solely assigned to examinations as defined on **pages 5 and 6** of the JCQ publication *Instructions for conducting examinations*;
- e) appropriate accommodation to support the size of the cohorts being taught, including appropriate accommodation for candidates requiring access arrangements.

3.6 **It is not permissible for a centre to be approved purely for administrative purposes in order to take question papers to an alternative site.**

Centres are only permitted to take question papers to an alternative site where the published criteria for an alternative site arrangement has been met. The JCQ Centre Inspection Service **must** be informed using the JCQ Alternative Site form.

3.7 An awarding body reserves the right to withdraw approval either for the delivery of a specific qualification or centre approval for all qualifications at any time, if the centre has not complied with any part of the awarding body's requirements which are in force at the time. An awarding body additionally reserves the right to withdraw centre approval where continued approval would bring the examination/assessment system into disrepute. The awarding body reserves the right to notify the other JCQ awarding bodies of such actions.

3.8 The awarding bodies reserve the right to withdraw approval of those centres which do not meet the awarding body's current approval criteria, fail to address issues raised during an inspection or who fail to respond to the National Centre Number Register annual update.

The awarding bodies will review the approval of centres who have not submitted candidate entries for two consecutive years.

3.9 In the event of a centre ceasing to operate it **must** take all reasonable steps to protect the interests of the candidates. It **must** also notify **each** of the awarding bodies it is approved by **at the earliest opportunity**. In such an event the awarding body will take all reasonable steps to protect the interests of the candidates.

3.10 Centre approval does not automatically allow a centre to state or imply awarding body approval in published material or on-line. Permission **must** be sought from the relevant awarding body/bodies. This will also extend to the use of an awarding body's logo.

## Confidentiality

### 3.11 The centre will:

- a) keep confidential the names and addresses of examiners, moderators, external verifiers and any other awarding body examining/assessment personnel. This also extends to e-mail addresses of awarding body/JCQ personnel;
- b) not forward e-mails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications (including third party applications) such as Facebook, Twitter, Snapchat, LinkedIn etc;
- c) keep confidential the centre's employment of, in any capacity, any current or former JCQ Centre Inspectors, awarding body examiners, moderators, awarders, external verifiers or other examining personnel, and not mention them in any form of literature issued in connection with the centre's programmes of assessment.

3.12 The centre may share information and data with other centres which are members of the consortium or Academy Trust provided it complies with these confidentiality obligations. All centres which are part of the consortium or Academy Trust **must** be aware of these obligations.

The centres in the consortium or Academy Trust must satisfy themselves that any sharing of personal data is lawful.

## Retention of candidates' work

### 3.13 The awarding bodies will:

- a) unless otherwise stated, return centre-assessed work to centres after the publication of results;
- b) reserve the right to retain samples of centre-assessed work for archive purposes even where work is normally returned to centres and to retain all centre-assessed work, scripts and associated materials which have been the subject of a malpractice investigation;
- c) assume ownership of all written scripts, candidates' work submitted electronically, recordings of speaking tests and recordings of performances carried out under formal examination conditions and will not return externally assessed non-examination assessments (including controlled assessments and coursework) or examination scripts to centres, except where requested under access to scripts arrangements;
- d) retain examples of scripts and associated materials to demonstrate standards and for reference by awarders in future years;
- e) allow centres to return to candidates their portfolios of evidence of achievement following verification;
- f) dispose of all scripts and the verified work of candidates after those required for access to scripts, reviews of marking, appeals, 'live' malpractice cases and research purposes have been extracted. Scripts and verified work of candidates will be disposed of in a confidential manner.

### 3.14 It is the responsibility of centres to:

- a) **keep live non-examination assessments, including controlled assessments, coursework and portfolios, secure and confidential at all times whilst in their possession.** It is not acceptable for teaching staff to share the live work of candidates with other candidates. Live non-examination assessment, including controlled assessments and coursework, is defined as any work on a topic which has been set either by an awarding body or the centre for a current or future examination series even if the work was completed in a previous year;
- b) store safely and securely all non-examination assessments, including controlled assessments, coursework or portfolios, retained in, or returned to, the centre until the deadline for a review of moderation has passed or until a review of moderation, an appeal or a malpractice investigation has been completed, whichever is later. This includes materials stored electronically. See paragraph 4.8 of the JCQ publication *Instructions for conducting non-examination assessments* <https://www.jcq.org.uk/exams-office/non-examination-assessments>
- c) ensure that when scripts that have been returned under access to scripts arrangements are no longer required, they are disposed of in a confidential manner, but no earlier than the dates specified by the awarding bodies.

## Communication

- 3.15 **Centres must not advise parents/candidates to contact awarding bodies/JCQ directly. If contacted, the awarding body/JCQ will direct the parent/candidate back to the centre.**

Correspondence on any aspect of a candidate's examination or assessment will be conducted between the awarding body and the head of the centre, a member of the senior leadership team or the examinations officer.

Private candidates may approach an awarding body regarding post-results services and appeals.

## 4 The responsibilities of the awarding bodies

- 4.1 The awarding bodies will make their processes with centres clear and streamlined as per the requirements of the qualification regulators.

### Administrative support for centres

4.2 **The awarding bodies will:**

- a) provide documentation and effective guidance on a centre's responsibilities when managing, administering and assuring the quality of an examination or qualification;

- d) inform centres how to submit registrations and entries, and process centres' registrations and entries;

- e) provide general procedures and documentation relating to the administration of controlled assessments, coursework, non-examination assessments and portfolios;
- f) provide, where relevant, subject-specific instructions and mark sheets;
- g) provide through the JCQ publication *Instructions for conducting examinations* instructions for the conduct of written examinations and on-screen assessments;

- k) assist centres to carry out their procedures correctly and that instructions have been followed.

  - centre staff are taking qualifications at other centres.

The head of centre **must** ensure that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected. The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records **must** be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

**Note:**

**Heads of centre must note that entering members of centre staff for qualifications at their own centre must be as a last resort in cases where the member of centre staff is unable to find another centre.**

**The head of centre is responsible for ensuring that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials.**

**The head of centre must ensure that during the examination series the member of centre staff is treated as per any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment.**

- e) has in place a **written** examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. **The examination contingency plan must be available for inspection purposes;**

- r) provides contact details and an address to which all correspondence in connection with the administration of examinations and assessments can be directed. This **must** be the registered address of the centre;
- (Centres **must** provide awarding bodies with an official school or college e-mail address and landline telephone number. Personal e-mail addresses such as 'yahoo', 'hotmail' and 'gmail', and mobile telephone numbers **are not acceptable**.)
- s) responds to the National Centre Number Register annual update **by the end of October 2019**, confirming they are both aware of and adhering to the latest versions of JQC regulations;
- t) confirms their details or informs the awarding bodies of any changes to their contact details through the National Centre Number Register (as administered by OCR on behalf of the JQC awarding bodies – AQA, CCEA, OCR, Pearson and WJEC);
- u) informs the National Centre Number Register Team **immediately** (e-mail address – [ncn@ocr.org.uk](mailto:ncn@ocr.org.uk)) if any changes occur after the National Centre Number Register annual update has taken place. This **must** be on centre headed stationery which can be sent as an e-mail attachment;
- v) informs the National Centre Number Register Team (e-mail address – [ncn@ocr.org.uk](mailto:ncn@ocr.org.uk)) **no later than 6 weeks prior to moving to a new address or a re-location of the secure storage facility**; (As a result of this notification a centre inspection will take place.)
- w) informs the National Centre Number Register Team **immediately** of any other changes in their circumstances that could affect their centre status.

**Note:**

**Where a centre does not respond to requests, or fails to resolve any outstanding issues, from the JQC Centre Inspection Service or the National Centre Number Register Team, the awarding bodies will not despatch secure assessment materials. Ultimately, an awarding body reserves the right to withdraw centre approval.**

**Note:**

**The National Centre Number Register will be shared with JQC awarding bodies and such other third parties as is necessary, including but not limited to DfE, Parcelforce and the qualification regulators, solely for the purposes of delivering assessment processes and meeting regulatory requirements.**

## Access arrangements and reasonable adjustments

### 5.4 The head of centre/senior leadership team will:

- a) appoint a SENCo who will determine appropriate arrangements for candidates with learning difficulties and disabilities;
- b) ensure that learners will have the correct information and advice on their selected qualification(s) **in an accessible format** and that the qualification(s) will meet their needs. The recruitment process **must** include the centre assessing each potential learner and making justifiable and professional judgements about the learner's potential to successfully complete the examinations/assessments and achieve the qualification(s). The centre's assessment **must** identify, where appropriate, the support that will be made available to the learner to facilitate access to examinations/assessments;
- c) recognise its duties towards disabled candidates as defined under the terms of the Equality Act 2010†. This **must** include a duty to explore and provide access to suitable courses, submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates;  

†or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect
- d) ensure that the SENCo undertakes the necessary and appropriate steps to gather a picture of need and demonstrate normal way of working for a private candidate. **This includes distance learners and home educated students.** The centre, where required, **must** lead on the assessment process. The candidate **must** be assessed by the centre's appointed assessor. In some instances, depending on his/her needs, the candidate may have to be assessed away from the centre, for example at home. **The centre must comply with the obligation to identify the need for, request and implement access arrangements;**
- e) ensure that where a candidate with a learning difficulty requires an assessment of his/her needs, he/she is assessed by an appropriately qualified assessor **as appointed by the head of centre.** Evidence of the assessor's qualification(s) **must** be obtained **before** he/she assesses candidates;
- f) have a **written** process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as per **Chapter 7** of the JCQ publication *Access Arrangements and Reasonable Adjustments* ;
- g) assist the awarding bodies in the discharge of their duty to make reasonable adjustments by requesting access arrangements, where required, and **fully supports the SENCo** in effectively implementing those arrangements once approved;
- h) ensure any applications for access arrangements or reasonable adjustments are submitted **by the published deadline.** **The SENCo** will hold on file appropriate documentary evidence to substantiate such an arrangement, which is open to inspection. For GCE and GCSE qualifications, a JCQ Centre Inspector will sample a centre's applications;
- i) ensure that for GCE and GCSE qualifications, a file is presented **by the SENCo** which **must** contain for each application the downloaded approval for the respective arrangement(s), supporting evidence of need (where required) and a signed data protection notice/**candidate data personal consent form.** **This information must be readily available for inspection at the venue where the candidate is taking the examination(s);**
- j) ensure requests for modified papers are submitted **by the published deadline.**

5.5 The arrangements **must** be carried out in accordance with the JCQ publication *Access Arrangements and Reasonable Adjustments, 1 September 2019 to 31 August 2020.*

**Note:**

**If a JCQ centre inspection reveals deficient performance by a centre in respect of its role in requesting and/or implementing access arrangements, an awarding body will take decisive action. Ultimately, an awarding body might have to withdraw approval for a centre. This would be where a centre has clearly failed to comply with its obligations in respect of identifying the need for, requesting and implementing access arrangements.**

## Entries

### 5.6 The centre will:

- a) observe the awarding bodies' terms and conditions for the entry and withdrawal of candidates for their examinations and assessments;
- b) register or enter candidates for an examination or assessment in accordance with the awarding bodies' published procedures for that qualification;
- c) submit registrations, examination entries and certification claims by the deadline(s);  
(With regard to entries for unitised GCSE specifications, centres **must** ensure that a minimum of 40% of the total marks are taken in the final exam series when cashing-in/certification is applied for.)  
**(†This only applies to centres outside of England entering candidates for unitised GCSE specifications.)**
- d) maintain a Unique Candidate Identifier (UCI) or Unique Learner Number (ULN) for each candidate entered for an examination or assessment and to ensure that the same UCI or ULN is used consistently for the candidate over time to enable aggregation of units and qualifications -  
<https://www.jcq.org.uk/exams-office/entries/uci/unique-candidate-identifiers>
- e) enter candidates who are on roll at the centre as internal candidates;
- f) **enter a candidate who is not on roll at the centre who is following a qualification as a private candidate.** If the candidate is registered at another centre, that centre **must** be informed of the entries made;  
(A private candidate is responsible for his or her own entry which **must** be made through an accredited centre in the United Kingdom. A candidate may not be entered as both an internal and a private candidate at the same centre in the same examination series.  
Awarding bodies do not accept entries directly from private candidates; they will only accept entries made through an accredited centre in the United Kingdom. Further advice should be sought from the relevant awarding body who may maintain a list of centres who have indicated a willingness to accommodate private candidates.)
- g) pay fees as instructed and at the time specified by the awarding bodies;
- h) submit any applications for transferred candidate arrangements in accordance with the JCQ document *Guidance notes concerning Transferred Candidates*;
- i) verify the identity of all students that they enter for examinations or assessments. The centre **must** be satisfied that all candidate identities have been checked, whether as part of the initial registration process, or in the case of private candidates through a verification process which involves photo-ID;

- j) treat **all candidates** equally, **including private candidates**, throughout the examination process. This would also extend to post-results services and appeals.

**Advice:**

**Whilst it is advisable to enter candidates under names that can be verified against suitable identification such as a birth certificate, driver's licence or passport, the decision is the candidate's/centre's to make. The centre is best placed to understand the candidate's particular circumstances and make an informed decision.**

## Centre assessed work

### (Controlled assessments, coursework, non-examination assessments and portfolios of evidence)

#### 5.7 The centre will:

- a) notify awarding bodies of a consortium of centres with joint teaching arrangements for GCE and/or GCSE qualifications. This will allow the candidates for each specification to be treated as a single group for the moderation of centre-assessed work. This is only required if two or more member centres will be entering candidates for work that is centre assessed;
- b) use only current assessment materials/tasks to assess candidates' knowledge and skills (in cases where the awarding body provides such material);
- c) before submitting marks to the awarding body inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking; See <https://www.jcq.org.uk/exams-office/non-examination-assessments/notice-to-centres---informing-candidates-of-their-centre-assessed-marks>
- d) take reasonable steps to ensure that all associated administrative tasks are completed in an accurate and timely manner. For example, marks are correctly calculated, recorded and submitted by the published date. **It is the responsibility of the centre to carefully check the marks it is submitting to an awarding body;**
- e) submit centre-assessed marks and to despatch moderation samples, if required by the awarding body, by the published date. **It is the responsibility of the centre to ensure that moderators receive the correct samples of work to review;**
- f) have in place and **be available for inspection purposes**, a **written** internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates;
- g) have in place and **be available for inspection purposes**, a **written** policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a **written** controlled assessments policy.)

## Candidate information

### 5.8 The centre will:

- a) notify candidates, including any private candidates entered through the centre, of their examination entries and the dates and times of their examinations/assessments;
- b) ensure that in relation to examinations, the JCQ *Mobile Phone* and *Warning to Candidates* posters are displayed in a prominent place for all candidates to see prior to entering the examination room;

(Candidates **must** also be made aware of the content of the JCQ *Mobile Phone* and *Warning to Candidates* posters.)

(It is permissible for each of the JCQ *Information for candidates* documents to be placed on the centre's website and for the respective link to be e-mailed to candidates, with an appropriately worded message. The centre should follow this up with a briefing session or a special assembly led by the relevant Head of Year or an Assistant Head. The briefing session would reinforce what candidates must and must not do when sitting written examinations and/or on-screen tests, and when producing coursework and/or non-examination assessments.)

A centre may provide candidates with a copy of the JCQ *Information for candidates* documents in a language other than English, Irish or Welsh.

- d) ensure that all candidate data where required by the awarding body has been supplied to the awarding bodies within the terms of the General Data Protection Regulation, the Data Protection Act 2018 and the Freedom of Information Act 2000, and that candidates have been properly informed that this data has been transferred to the awarding bodies (**see section 6, page 23, for more information**);
- e) draw to the attention of candidates and their parents/carers their **written** complaints and appeals procedure which will cover general complaints regarding the centre's delivery or administration of a qualification.

- b) inform the awarding body **immediately** of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation;
- c) investigate any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication *Suspected Malpractice - Policies and Procedures, 1 September 2019 to 31 August 2020* and provide such information and advice as the awarding body may reasonably require.

## Results

### 5.12 The centre will:

- a) keep results entirely confidential and restricted to key members of centre/consortium/Academy Trust staff, at the discretion of the head of centre, until the official dates and times of release of results to candidates;
- b) distribute provisional statements of results to **all** candidates without delay and regardless of any disputes (such as non-payment of fees).

**Centres are not permitted to withhold provisional results from candidates under any circumstances.** Under the terms of data protection legislation centres that receive a Subject Access Request are compelled to release results to candidates within timescales prescribed by data protection legislation.

Alternatively, if a candidate makes a Subject Access Request directly to an awarding body in order to obtain his/her examination results, (**see section 6.6, page 23**) the awarding body is similarly compelled under the terms of data protection legislation to provide those results within timescales prescribed by data protection legislation.

## Post-Results Services and Appeals

### 5.13 The centre will:

- a) have in place **written** procedures for how it will deal with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies. (A centre may place its internal appeals procedure on the school/college website or alternatively the document may be made available to candidates upon request.)

- h) submit late subject awards for unitised GCE AS and A-level qualifications **by the published deadline** - <https://www.jcq.org.uk/exams-office/post-results-services/post-results-services-june-2019-and-november-2019>

Centres that do not have a means of destroying certificates confidentially may return them to the respective awarding body. A record of certificates that have been destroyed should be retained for four years from their date of destruction. However, candidates should be informed that some awarding bodies do not offer a replacement certificate service. In such circumstances the awarding body will issue a Certifying Statement of Results;

(Where an awarding body issues a replacement certificate, or a Certifying Statement of Results, this will provide an accurate and complete record of results for all qualifications covered by the original certificate.)

- d) return any certificates requested by the awarding bodies. Certificates remain the property of the awarding bodies at all times.

## 6 Personal Data, Freedom of Information and Copyright

### Personal Data

- 6.1 The delivery of examinations and assessments involve centres and awarding bodies processing a significant amount of personal data (i.e. information from which a living individual might be identified). It is important that both centres and awarding bodies comply with the requirements of the General Data Protection Regulation and the Data Protection Act 2018.

As at the date of reviewing these regulations, the UK is a member of the European Union and the General Data Protection Regulation has direct effect within the UK. Elsewhere in these *General Regulations* reference is made to 'data protection legislation'. This is intended to refer to the law currently set out in the General Data Protection Regulation and domestic legislation.

- 6.2 Centres must bring to candidates' attention the JCQ document *Information for candidates – Privacy Notice, General and Vocational Qualifications*. This document should be distributed to all candidates at the start of a course leading to a vocational qualification, or, where candidates are following GCE and GCSE qualifications, when the entries are submitted to awarding bodies for processing.
- 6.3 The head of centre, or a member of the senior leadership team, must advise any person involved in administering, teaching or completing examinations/assessments that where malpractice is suspected, or alleged, personal data about them will be provided to the awarding body (or bodies) whose examinations/assessments are involved. Personal data about them may also be shared with other awarding bodies, the qualifications regulator or professional bodies in accordance with the JCQ publication *Suspected Malpractice – Policies and Procedures*.
- 6.4 Awarding bodies may be required to provide a candidate's personal data to educational agencies such as DfE, WG, DE, The Skills Funding Agency, regulators, HESA, UCAS, Local Authorities, EFA and Learning Records Service (LRS). Additionally, candidates' personal data may be provided to a central record of qualifications approved by the awarding bodies for statistical and policy development purposes. Awarding bodies maintain a comprehensive archive record of candidates' examination results. The purpose is to provide an audit trail of the results certificated and to maintain an accurate record of an individual's achievements. It is the responsibility of centres to ensure that candidates are made aware of this.
- 6.5 The Learning Records Service (LRS) will provide learners aged 14 and over with a Unique Learner Number (ULN). An internet facility will provide and hold a ULN for every person in education and training aged 14 and over.

The ULN will remain with the learner for life, supporting the learner in building a record of their participation and achievements. Learners will be able to manage access to their own learning and achievement data, whilst awarding bodies will be able to publish and maintain a learner's achievement data.

- 6.6 Awarding bodies must make the personal data they hold on an individual available to him or her when requested, subject to the application of any relevant exemptions. Candidates and other individuals may obtain access to their personal data such as examination results (**see section 5.12, page 20**) by applying to the appropriate awarding body's data protection officer (**see page 26, contacts section**).

- 6.7 It is the responsibility of centres to inform candidates of the processing that the centre undertakes. For example, that the centre will provide relevant personal data including name, date of birth, gender to the awarding bodies for the purpose of examining and awarding qualifications.
- 6.8 Data protection laws acknowledge that an examination certificate is a contemporaneous record of achievement. The fact that an individual's name might have changed since the date of issue of the certificate does not render it inaccurate for the purposes of the data protection legislation.

## Freedom of Information

- 6.9 Under the Freedom of Information Act 2000, the general public is allowed access to any recorded information held by public authorities, unless such information is exempted in accordance with the provisions of the Act.
- 6.10 This means centres or awarding bodies who are public authorities within the meaning of the Act must consider requests for information in accordance with the provisions of the Act. Centres who are public authorities must consult with the relevant awarding bodies before disclosing, pursuant to the Freedom of Information Act, any information received from an awarding body.
- 6.11 This obligation does not apply to centres or awarding bodies that are private entities. However, information held on behalf of other public authorities such as DfE or Ofqual will also fall within the scope of the Act. Centres and awarding bodies should co-operate with the relevant authority in respect of any request for such information.

## Copyright

- 6.12 The copyright in all question papers, on-screen assessments and computer-based assessments created by an awarding body belongs to that awarding body. Unless otherwise expressly stated in any question papers which are subject-specific, the awarding bodies grant the centres a non-exclusive, non-transferable licence to use the question papers for the purpose only of preparing future groups of candidates for mock examinations and other internal centre tests.
- 6.13 **For confidentiality purposes question papers must not be released to centre personnel for use in accordance with the above licence until after the awarding body's published finishing time for the examination or, in the case of a timetable variation, until all candidates within the centre have completed the examination.** This does not restrict access to question papers by authorised centre personnel for the purpose of conducting examinations.
- 6.14 Materials that are submitted by candidates for assessment may include any form of written work, audio and visual materials, computer programmes and data ("**Assessment Materials**"). The copyright in any assessment materials created by a candidate belongs to him/her.

- 6.15 Each centre will procure from each of its candidates to grant the awarding body a non-exclusive, royalty-free licence to use their assessment materials (the "**Assessment Licence**") on the following terms:
- i. the assessment licence becomes effective on submission, in any medium or form, by the candidate of the applicable assessment materials;
  - ii. the awarding body is entitled to use such assessment materials for the purpose of:
    - a. assessing such candidates and their assessment materials ("**Candidate Assessment**"); **and**
    - b. providing education and training services to others;
    - c. research.
  - iii. the awarding body is entitled to grant any sub-licences of its rights under section 6.15(ii):
    - a. to third party examiners for the purpose of candidate assessment; **and**
    - b. to third party IT service providers for the purpose of detecting potential and suspected malpractice.
  - iv. the awarding body and its sub-licensees are entitled, for purposes of exercising their rights under the assessment licence, to reproduce the assessment materials in any form or medium and in whole or in part;
  - v. the awarding body is entitled, for the purpose of providing education and training services to others, to modify, translate or otherwise change the assessment materials to meet particular needs;
  - vi. a candidate shall be entitled to notify the awarding body, by means of a notice to the centre, that he or she wishes to terminate the awarding body's rights referred to in section 6.15(ii)(b), (c) and it shall be in discretion of the awarding body whether or not to terminate such rights; **and**
  - vii. a candidate is not entitled to terminate the awarding body's rights referred to in section 6.15(ii) (a).
- 6.16 The assessment materials will either be assessed internally by teachers in the centres (whose marks will be moderated) or externally by examiners. Any such assessment materials will be anonymised to ensure that the candidates cannot be identified. Where a centre or third party is in possession of any assessment materials for the purposes of candidate assessment, such assessment materials will be held on behalf of the awarding body. The centre or third party shall not acquire any rights therein other than granted pursuant to the assessment licence.
- 6.17 The awarding body before publishing or otherwise disclosing assessment materials to any third party in any medium or form, and using any assessment materials for the purpose of providing education and training services to others, pursuant to the assessment licence, will anonymise such assessment materials to ensure that the candidates cannot be identified.
- 6.18 Each centre must submit promptly to the relevant awarding body any notice given by a candidate referred to in section 6.15(vi).
- 6.19 Subject to section 6.15, the physical medium on which any assessment material is recorded will be the property of the awarding body to whom it is submitted (the "**Property**"). The property will not be returned to centres other than through the access to scripts arrangements set out in **section 5.13, page 21**.
