Learners are expected to arrive at all lessons on time. Authorised lateness must be agreed with the tutor/trainer beforehand. Persistent lateness will incur a warning or warnings and may result in removal from the programme. Being on time means that you get the most from your course and you do not disrupt other learners.

1.5 Sickness, Injury or Medical Appointments/Conditions

You must inform MITSkills as early as possible on the first day of absence. - **Racial Harassment**

Can be defined as “racially insulting, threatening or demeaning behaviour or language to someone and which they find offensive and believe to constitute unfairness in the way they are treated”. Such conduct can be an act, or a series of acts directed at a person or their property because of their colour, racial or ethnic origin. It can take the form of abuse and threats or verbal abuse including ridiculing a person because of their race or religion.

- **Disability Harassment**

Can be defined as “disadvantaging behaviour or language towards someone and which they find offensive and believe to constitute unfairness in the way they are treated”. Such conduct can be an act, or a series of acts directed at a person or their property because of their disability. It can take the form of abuse and threats or verbal abuse including ridiculing a person because of their disability.

- If you believe you are being harassed or bullied in your learning environment, please contact your tutor or work-based trainer or if appropriate using a complaints form, detail the issue and send it to a Senior Manager via the main training centre. 1.12 Violence

Learners will not take part in any kind of fighting, whether it is “Play Fighting” or otherwise. You must never bring to the centre any item which could be construed as an offensive weapon. Where a learner has been involved in violence or inciting violence they will be removed from learning and the appropriate authorities or police will be informed.

1.13 I.T. Policy

Computers are available for use by the learners and should be used for matters concerned with training only. MITSkills will not tolerate the use of these computers for any of the following: - abusive emails, bullying or harassment, personal use, online gambling, accessing pornography, downloading, or distributing confidential information, accessing sites promoting racism, radicalisation, or terrorism. Uploading offensive or illegal images or content is banned. Those responsible will be reported to the appropriate authorities, and where appropriate will be removed from learning. MITSkills will use CCTV and computer tracking as part of ensuring learners adhere to this policy, and to ensure learners safety and to support learner, staff, and visitor safety this may be used to support disciplinary action where there is evidence of breaking MITSkills' policies.

Any unauthorised or improper use of electronic communications will result in disciplinary action.

1.14 Disciplinary Procedures

You will be expected to always act in a responsible manner. Misconduct such as lateness, absences, rudeness, disobedience, bullying, harassment, discrimination etc. will result in the implementation of the Disciplinary Procedure. This procedure is designed to help and encourage you to achieve and maintain the standards set out in all MITSkills' policies. MITSkills may action the procedure at any level with gross misconduct or serious misconduct being dealt with under stage three and four.

The Procedure

Minor breaches will be dealt with informally but where the matter is more serious the following procedure will be used.

Stage One – Verbal Warning

If conduct or performance does not meet acceptable standards you will normally be given a formal VERBAL WARNING. You will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of your right of appeal. A brief note of the verbal warning will be kept on your learner file. After six months, subject to satisfactory performance and conduct, it will be disregarded. Where you are employed, your employer will be informed.

Stage Two – Written Warning

If there is still failure to improve and conduct/performance is still unsatisfactory, the infringement is a serious one or if a further infringement has occurred, a WRITTEN WARNING will be given to you by the Departmental Manager. This will give details of the infringement, the improvements required and the timescale. You will be advised of the right of appeal. A copy will be kept on your file for twelve months. A copy will be given to you. Where you are employed, your employer will be informed.

Stage Three – Final Written Warning

If conduct/performance is still unsatisfactory and fails to meet the required standards, the infringement is a more serious such as a serious breach of safety, classroom disruption, cheating, plagiarism, or if a further infringement has occurred, a FINAL WRITTEN WARNING will be given. This will give details of the infringement, the improvements required, the timescale, and that the next stage in the disciplinary procedure will be dismissal or removal from the programme. You will be advised of the right of appeal. A copy will be kept on your file for twelve months. Where you are employed, your employer may be informed.

Stage Four – Dismissal or Removal from MITSkills' Programme

If the infringement is again a more serious one or such as violence (including inciting violence), theft, drug abuse, bullying, harassment, racial or sexual abuse, a serious safety infringement which puts yourself or others in danger of serious injury or death or a continuing impact on another's ability to feel safe in the learning environment, or within the centre, cheating or plagiarism in an exam or assessed piece of work, bribery etc. These will result in stage four disciplinary action which can include reporting to the

relevant authorities such as the Police, and or immediate removal from site pending until outcome of any disciplinary action. In the event of abuse or violence against staff including verbally, physically or by any other means, will result in a stage four sanction or if a further infringement from a final written warning has occurred following a final warning. A stage four sanction means DISMISSAL or REMOVAL from the programme will normally result. Only Senior Management can take the decision to dismiss or remove learners from the programme. You will be informed, as soon as is reasonably practicable, with written reasons for this action, the date on which the programme will terminate and of your right of appeal.

Dependent on the seriousness of the infringement, MITSkills reserve the right to implement any stage of the Disciplinary Procedure.

Stage four disciplinary procedures where appropriate will be reported to authorities.

Disciplinary Appeals Procedure

If you wish to appeal against any disciplinary action taken against you, you should notify your tutor/trainer in writing, within two working days of the action complained of, giving your reasons for the appeal. A Senior Manager will review the disciplinary action and will make one of three decisions - confirm the action, if appropriate rescind the action, or put the action to the next level. Any learner being abusive during an appeal or complaints procedure, the Senior Manager will have the right to Remove or Dismiss.

The decision made by Senior Management of MITSkills is final.

Throughout the appeal procedure, you have the right to be accompanied by a working colleague or other such person, as may be appropriate to support your appeal (this must be agreed prior to the appeal), if you so wish.

Verbal Warning

- In line with the procedure initial misconduct such as lateness, rudeness, etc. will result in verbal warning. Copies of Learner Disciplinary Form (LDF) to learner, employer, and admin to add to live file and PICS/Aptem notes.

Written Warning

- If conduct or performance does not meet acceptable standards and the above "verbal warning" is less than six months old; then a written warning will be recorded on to learner file and Learner Management System updated. Learner and employer to be given copies of LDF. This will become spent and removed from file once six months old.

Final Warning

- If conduct/performance is still unsatisfactory or the infringement is serious, a final warning will be issued. With bullying or discrimination, a final warning may be issued, or dismissal may take place; an LDF will be completed giving details of the infringement and required improvement with set timescales. Copies to all concerned and Learner Management System updated accordingly. This will become spent and removed from file once twelve months old.

Dismissal

- If the infringement is again serious or evidence of violence, danger to yourself or others, cheating, theft, or malpractice has been proven; then dismissal or removal from the programme will occur. Final decision will be made by the Senior Management Team (SMT). Notification to all and Learner Management System updated.
